**BENEFIT SOLUTIONS  
ASSOCIATES, INC.**

Benefit Solutions Associates, Inc. is a provider of solutions to financial benefits and services through education. Our focus is to help clients understand what they need to do to enhance and complete their plans for financial success ... for individuals and employers alike.

Someone once said "... we would all do the right thing if we only knew what the right thing was ...."

Our goal is to become your resource ... to provide the necessary information and education for you to choose the appropriate benefits, services, and products that have stood the test of time ... as well as provide access to the new services and products as they become available.

**WHAT WE CAN DO  
FOR YOU**

BSAI provides access to professionals throughout the financial services industry. These professionals include those who have earned the appropriate licenses. These professionals are a resource for our clients and assist them in making informed decisions about benefits, services and products. They can assist in coordinating existing benefits and programs with any additional products or programs that help the client meet their goals and objectives.

**THE MISSION OF BSAI**

- ◆ *To be a resource for our clients by providing value-added benefits and services for business and personal needs.*
- ◆ *To provide the link through education for businesses and individuals to effectively access and utilize benefits and services.*
- ◆ *To forge mutually beneficial and enduring relationships with our clients by providing benefits and services in the most cost efficient manner.*
- ◆ *To provide the service our clients deserve.*

**WHAT YOU CAN DO TO  
HELP YOURSELF**
